### **Education:**

**2004-2006** *Associates of Arts, Web Development*, HACC, Harrisburg, PA  
Member of Phi Theta Kappa International Honor Society, Dean's List, 4.0 GPA.

**2000-2002** *Associates of Arts, Fine Arts*, GRCC, Grand Rapids, MI  
Member of Phi Theta Kappa International Honor Society, recipient of the GRCC Community Leader and John Hannick scholarships, English, Biology and Psychology Tutor, Dean's List, 4.0 GPA.

### **Employment:**

**2006-Present** *Web Developer - Consultant*, eCU Technologies, Harrisburg, PA  
Responsible for developing & maintaining company web site, development of new marketing materials, newsletter and web site for company products. Additional responsibilities include customization of products to client Credit Unions which involves creation of original art, incorporation of existing art and building demonstration models for use in sales calls.

**2005-2006** *Web Developer - Intern*, eCU Technologies, Harrisburg, PA  
See above.

**2002-Present** *Skydiving Instructor/Manifest*, Chambersburg Skydiving, Chambersburg, PA  
Instructor: Responsible for conducting the first jump course, pre-jump briefings and ground preparations, as well as ensuring the safety of skydiving students at all levels of competency. Additional responsibilities include packing parachutes, radio communications between airplanes and students who are in need of radio assistance to land safely. Manifest: Responsible for coordination of students, instructors, planes and pilots. Position also includes general office management and operations, gear and fuel sales and greeting airport visitors.

**1998-2002** *Skydiving Jumpmaster*, Skydive Hastings, Hastings, MI  
Responsible for pre-jump briefings and ground preparations as well as ensuring the safety of skydiving students who have progressed beyond their first jump. Additional responsibilities included packing parachutes and radio communications between airplanes and students who were in need of radio assistance to land safely.

**1993-2001** *Division Training Supervisor*, Steak 'n Shake, Brighton, MI  
Responsible for overseeing training in twelve to fifteen restaurants. Primary focus was the training and development of crew members to build solid business practices and promote from within while operating the "school" that certified trainers and managers as such. Other duties included leading a mobile training team to open new stores and conducting compliance audits and restaurant reviews on existing stores.
